

Blue Cross Employer Resource Center Upgrade

Coming This Fall

We are excited to share that Blue Cross VT is upgrading their **Employer Resource Center (ERC)**! Coming this fall, you will have access to many of the same great features you are used to, but with a more modern design and expanded self-service options.

Blue Cross is asking VEHI groups to identify [only one](#) local administrator per Supervisory Union/District to pre-register. This person will receive instructions in the upcoming weeks on how to add and set permissions for additional users. Pre-registering one local administrator will allow for a smoother transition when the upgrade goes live later this fall.

Please determine your local administrator, and that individual should [pre-register](#) as soon as possible to avoid future interruptions in access.

Note: Your 9-digit group number (example: 316012345) is required for pre-registration. This information can be found on your invoice.

Review our [frequently asked questions](#) for more details.

If you have any questions, please contact Blue Cross VT's Enrollment Services Department at asinbox@bcbsvt.com or by calling (888)-320-9798.

This notification has been sent to our Human Resources Professionals, School Business Officials and other Health Plan Contacts.

You're receiving this notification because your school and/or SU are a member of our program.
