

## DFR Approves VEHI Dental Rates for FY 25

Rates increase 0 - 4%

VEHI has received approval from the Department of Financial Regulation (DFR) for its dental rates for **FY 25** (for dates July 1, 2024 - June 30, 2025).

Similar to FY 24, VEHI's dental rate increases for FY 25 range from a **low of zero to a maximum of four percent** based on a comprehensive utilization analysis of each member group and the recommendations of an independent actuary.

Please see the [email from November 6, 2023](#) for details on the use of reserves and the projected spending allowances.

***You will receive an email from Jessica Valler in the coming days with your renewal letter and FY 25 rates.***
