

DFR Approves VEHI Dental Rates for FY 23

Rates increases range from 0 - 4% from FY 22

VEHI has received **approval** from the Vermont Department of Financial Regulation (DFR) on its dental rate filing for **FY 23** (for dates July 1, 2022 - June 30, 2023).

As explained in our [Campaign Monitor memo on November 11](#), VEHI proposed dental rate increases for FY 23 in a range of a **low of zero to a maximum of four percent** based on a comprehensive utilization analysis of each member group.

Business managers and/or human resources professionals will receive an email in the coming days from Jessica Valler, providing them with the group-specific rates.

If you have any questions about the rating process, you can read our [memo from November 11](#) for additional details.

If you have any questions, please contact Bobby-Jo Salls at bobbyjo@vsbit.org or Jessica Valler at jessica@vsbit.org.
