Thank you for trusting DataPath Administrative Services to provide you with your tax-advantaged benefits account administration. As we onboard your group, we ask for your patience as we work diligently set up your plan thoroughly and accurately. During this time, we will also be processing outstanding claims.

The onboarding process begins May 1, 2018, and takes some time to complete. Please hold off on making inquiries about outstanding claims until June 1, to allow us the time needed to do a thorough job. Claims processing and reimbursement will be sent as soon as possible.
