

Annual Disclosure to Centers for Medicare & Medicaid Services (CMS)

The following information provides the fundamentals of disclosing the required information to CMS. This disclosure is required whether the coverage provided is primary or secondary to Medicare.

Please also note that you should be reporting now as VEHI Health plans are based on a July through June fiscal year. You must file an online annual disclosure with CMS **by August 30** regardless of your Section 125 Plan year. Click [here](#) for resources.

Any questions or concerns should be addressed to VEHIhelp@ajg.com.

This notification has been sent to Business Officials, Human Resources and Health Members.

You're receiving this notification because your school and/or SU are a member of our program.
