

Annual Disclosure to Centers for Medicare & Medicaid Services (CMS) due by 8/29

Each year, employers must disclose to CMS the number of people covered under their health plan—employees and/or dependents—who are eligible for Medicare Part D, and whether the coverage offered is equal to or better than Medicare Part D, or “creditable.” All* VEHI plans are considered creditable.

You must report this within 60 days of the start of your plan year. For VEHI, the plan year begins July 1, so you must file an [online annual disclosure with CMS](#) (link below) by **August 29** regardless of your Section 125 Plan year. Please note that August 29 falls on a Saturday this year. Link to resources on VEHI website below.

For assistance, please email our compliance team at VEHIhelp@ajg.com.

*This excludes the VSTRS 65 retiree plan that does not include a drug benefit.
