

Reminder: Creditable Coverage Notices

Creditable coverage notices are due to employees by October 15th. [Materials and Guidance](#) can be found on our website.

A creditable coverage notice is a statement from an employer to any covered member (employee or dependent) who is or will be Medicare eligible within the plan year (July 2026 - June 2027), to confirm that their coverage meets or exceeds minimum standards. **VEHI coverage is creditable and exceeds all minimum standards.** When the employee retires and enrolls in Medicare, the notices will allow them to avoid a late enrollment penalty.

Using the Blue Cross of Vermont [Employer Resource Center](#) (ERC) you can generate a member roster / census. Once generated, sort the roster by date of birth to identify anyone who will be 65 or older by July 1, 2027 (ie: DOB July 1, 1962 or earlier).

For guidance on how to produce the member roster, please refer to page 46 of the [ERC Reference Guide](#) for instructions.

For assistance, please email [Bobby-Jo Salls](#) or our compliance team at VEHIhelp@ajg.com.
