

# VEHI Files Dental Rates for FY 27

## Proposes 0 - 15% increase in rates

The VEHI board has approved, and Northeast Delta Dental has filed, an increase to dental rates for **FY 27** (for dates July 1, 2026 - June 30, 2027).

After 10 years of rate holds or low, single-digit increases, VEHI dental rates are increasing between zero and 15%. This is based on a comprehensive analysis of each member group's utilization and plan design, and in consultation with our independent actuary.

The indicated rate increase needed was an average of 24.3%, however, to stabilize and keep premium increases between 0 to 15%, the VEHI Board authorized the use of its dental program reserves to waive the administrative cost of the program and bring the overall increase for the pool down to 10.9%.

These rates are not final, as they must go through the regulatory review process at the Vermont Department of Financial Regulation.

**We will notify business managers and/or human resources representatives, via email the week of 12/1, as to where your particular district falls in this range.** We will also notify you of your actual rates when they are approved, which we expect in January.

If you have any questions, please contact Bobby-Jo Salls at [bobbyjo@vsbit.org](mailto:bobbyjo@vsbit.org) or Jessica Valler at [jessica@vsbit.org](mailto:jessica@vsbit.org).

### Dental Program Spending Projections
