

VEHI Rate Reminder

We are writing to remind folks that the information about Blue Cross rates that you may have seen recently in the news is **NOT related to VEHI** or VEHI rates. That is specific to fully-insured Qualified Health Plans (Small Group and Individuals) through Vermont Health Connect.

The health rates for FY 26 are approved and set through June 30, 2026. The VEHI renewal for FY 27 (July 1, 2026 - June 30, 2027) is just beginning, will be filed by the end of October. We have no information on what those rates will be at this time.

As always, if you have any questions or concerns, please reach out to Bobby-Jo Salls at bobbyjo@vsbit.org.

This notification has been sent to School Business Officials, Human Resources Professionals, Superintendents and other Health Plan Employers.

To avoid confusion and to ensure consistency in the delivery of information, when distributing VEHI information do not modify any VEHI communications or attachments.

Please note: For your convenience, all VEHI Communications (sent via Campaign Monitor) can now be found in our archive at vehi.org/campaign-monitors.
