Welcome

Northeast Delta Dental welcomes you to the growing number of people receiving benefits through our Dental Care programs.

This booklet, together with your Outline of Benefits, describes the benefits of your program and tells you how to use your plan. Please read it carefully to understand the benefits and provisions of your Northeast Delta Dental plan. But, before you turn the page, we'd like you to know something about us...

Northeast Delta Dental is a not-for-profit organization originally established and supported by Dentists to make Dental Care more available to the general public.

Northeast Delta Dental is affiliated with a national association known as the Delta Dental Plans Association (DDPA) which provides Dental Care programs in all states and U.S. territories.

A majority of Dentists in Maine, New Hampshire, and Vermont participate with Northeast Delta Dental through participating agreements. In addition, there is a nationwide network of Participating Dentists available to you.

You are encouraged to take advantage of your Northeast Delta Dental plan since good oral health is an important part of your overall general health. You are also encouraged to participate in Northeast Delta Dental's innovative Health through Oral Wellness® (HOW®) program to be eligible for additional preventive dental benefits based upon a clinical risk assessment by your Dentist. Finally, you are also encouraged to obtain your Dental Care from a Participating Dentist to get the best value from your program.

Your Coverage: The coverage selected for your dental benefits plan uses Delta Dental's PPO and Premier networks of Participating Dentists. This Delta Dental network plan allows you to go to any Dentist of your choice and receive a level of benefits for covered services, but you will receive the best value from your plan if you visit a network Dentist. You pay no more than the Delta Dental contractual fee for covered services our Participating Dentists provide, even if you exceed your annual benefit maximum.

Delta Dental PPO Dentists are part of a more limited network of Participating Dentists who offer lower fees to their Delta Dental PPO patients. Delta Dental PPO Dentists are reimbursed by Delta Dental based on the lesser of the submitted charge or Delta Dental's allowance for PPO Dentists in the geographic area in which the services were provided. PPO Dentists agree to accept Delta Dental's payment as payment in full, and further agree not to charge any difference between their fees and the amount paid by Delta Dental back to their Delta Dental patients. Like all Dentists, PPO Dentists are allowed to charge for any applicable Co-payments, Deductibles, or non-covered services.

You will also receive benefits under your dental benefits plan if you choose to visit a Delta Dental Premier Dentist. Delta Dental Premier Dentists are reimbursed by Delta Dental based on the lesser of the submitted charge or Delta Dental's allowance for Premier Dentists in the geographic area in which the services were provided. Like all Dentists, Premier Dentists are allowed to charge for any applicable Co-payments, Deductibles, or non-covered services.

You may also choose to visit Dentists who are not Delta Dental Participating Dentists (Non-Participating Dentists) or Other Dental Providers (ODPs). You will receive benefits based on the lesser of the submitted charge or Delta Dental's allowance for Non-Participating Dentists or ODPs in the geographic area in which the services were provided. The Non-Participating Dentist or ODP may balance bill up to their submitted charge. When there is not sufficient fee information available for a specific dental procedure, Delta Dental will determine an appropriate payment amount. You may be requested to bring a claim form to your visit. Claim forms can be downloaded from www.nedelta.com or you may call 800-832-5700.

Remember: All Delta Dental Participating Dentists agree to:

- File your claim forms for you.
- Charge you no more than the amount allowed for payment by Delta Dental.
- Accept payment directly from Delta Dental.

Health through Oral Wellness® (HOW®) program: A healthy mouth is part of a healthy life, and Northeast Delta Dental's innovative Health through Oral Wellness (HOW) program works with your dental benefits to help you achieve and maintain better oral wellness. Here's how to participate in the HOW program.

- **KNOW YOUR SCORE**

Go to healththroughoralwellness.com and take the free health risk assessment by clicking on "Free Assessment" in the Know Your Score section of the website.

- **SHARE YOUR SCORE WITH YOUR DENTIST**

Share your results with your Dentist at your next dental visit. Your Dentist can discuss your results with you and perform a clinical version of the risk assessment. Based on your risk and subject to the provisions of your dental benefits plan, you may be eligible for additional preventive benefits at no cost.

- **FOLLOW UP**

Continue to communicate with your oral health care team at your visits about how to maximize your HOW® benefits.

-

II. How to File a Claim

To Use Your Plan, Follow These Steps:

Please read this Certificate of Insurance carefully to familiarize yourself with the benefits and provisions of your dental benefits plan.

Ask your Dentist if he/she participates with Delta Dental; visit Northeast Delta Dental's website at www.nedelta.com; refer to your Northeast Delta Dental Participating Dentist Directory; or call Northeast Delta Dental for information.

When you visit your dental office, inform them that you are covered under a Northeast Delta Dental program and show your identification card or other means of verifying Northeast Delta Dental coverage. Your Dentist will perform an evaluation and plan the course of treatment. When the treatment has been completed, the claim form will be sent to Northeast Delta Dental for payment for covered services. Clean written claims must be paid in thirty (30) days; clean electronic claims must be paid within fifteen (15) days.

Participating Dentists: Participating Dentists will have claim forms available in their offices. A Participating Dentist will not charge at the time of treatment for covered services, but may request payment for non-covered services, Deductibles, or Co-payments. Northeast Delta Dental will pay the Participating Dentists based on the lesser of the submitted charge or Delta Dental's allowance for Participating Dentists in the geographic area in which the services were provided. An Explanation of Benefits (EOB) form will be sent or accessible to you that will indicate the amount you should pay, if any, to your Dentist.

Non-Participating Dentists or Other Dental Providers (ODPs): Northeast Delta Dental provides coverage regardless of your choice of Dentist, participating or not. When visiting a Non-Participating Dentist or ODP (who is a person, other than a Dentist, who provides Dental Care and is authorized and licensed to provide such services by the state in which the services are rendered), you may be required to submit your own claim (available at www.nedelta.com) and pay for services at the time they are provided. All claims should be submitted to Northeast Delta Dental. Payment will be made directly to you. Some states may require that assignment of benefits (directing that payment be sent to the provider) be honored. In these instances, payment will be made directly to the Non-Participating Dentist or ODP when written notice of such an assignment is made on the claim. In either case, payment for treatment performed by a Non-Participating Dentist or ODP will be limited to the lesser of the submitted charge or Delta Dental's allowance for Non-Participating Dentists or ODPs in the geographic area in which services were provided. It is your responsibility to make full payment to the Dentist or ODP. When there is not sufficient fee information available for a specific dental procedure, Northeast Delta Dental will determine an appropriate payment amount.

You or someone in the dental office must fill in the Eligible Person information portion of the claim form. Please be sure information is complete and accurate to ensure the prompt and correct payment of your claim.

Predetermination of Benefits: Northeast Delta Dental strongly encourages Predetermination of cases involving costly or extensive treatment plans. Although it is not required, Predetermination helps avoid any potential confusion regarding Northeast Delta Dental's payment and your financial obligation to the Dentist.

Please note that Predetermination does NOT guarantee payment. Rather, Predetermination is an estimate of payment based on your current benefits. A new Coverage Period, additional paid benefits and/or a contract change may alter the final payment, because payment is based on information at the time treatment is provided (the date of service) which may be different than information available at the time the Predetermination estimate was given. Any changes in a Dentist's participating status or Northeast Delta Dental's allowance may also affect Northeast Delta Dental's final payment.

The Predetermination voucher reflects your benefits based on the procedures and costs submitted by your dental office. Questions concerning Predetermination should be directed to Northeast Delta Dental's Customer Service department at 800-832-5700 or 603-223-1234.

Only those coverage classifications selected by the Contract Holder shall apply as shown on the OOB.

Coverage D Exclusions and Limitations:

- If the fee for a procedure or service is “Not Billable to the Eligible Person,” it is not payable by the plan, nor collectable from the Eligible Person by a Participating Dentist. Participating Dentists agree not to charge a separate fee.
 - If the fee for a procedure or service is “Denied,” it is not payable by the plan, but is chargeable to the Eligible Person as the procedure or service is not a benefit under the plan.
1. For groups with orthodontic benefits, limitations include:
 - a. For treatment commenced while an Eligible Person is eligible for orthodontic benefits, Northeast Delta Dental will initiate payment of its liability once bands or orthodontic devices are placed. Northeast Delta Dental will complete payment of its liability (up to the orthodontic Maximum specified in the Outline of Benefits) in accordance with paragraph 3 below.
 - b. For Eligible Persons who become eligible after orthodontic treatment has commenced, Northeast Delta Dental will pro-rate its liability for comprehensive orthodontic treatment based on the number of remaining months of active treatment compared to the total number of months of active treatment.
 - c. Active treatment includes procedures undertaken and appliances used with those procedures for the purpose of bringing teeth into proper position and alignment. Active treatment does not include space maintainers, palate expanders or other devices used to prepare the Eligible Person for services to position and align teeth.
 2. For groups with orthodontic benefits, clear orthodontic appliances are included in orthodontic benefits provided that upon the consulting Dentist's review of pretreatment radiographic images it is indicated that the Eligible Person has full adult dentition.

Clear appliances are subject to all orthodontic limitations and conditions and are subject to review by a consulting Dentist. The Eligible Person is responsible for any difference between the cost of the clear orthodontic treatment and the cost of conventional orthodontic procedures.

Orthodontic treatment must be provided by a licensed dentist. Self-administered (or any type of ‘do-it-yourself’) orthodontics is Denied.

Orthodontic treatment must be diagnosed by a licensed dentist and the total case fee includes all records through retention (radiographic images, models, impressions, retainer, etc.) necessary to complete the orthodontic treatment. Direct-to-Consumer orthodontic treatment requires a completed attestation by the treating Dentist.
 3. Northeast Delta Dental's payment for orthodontic benefits, when covered, shall be limited to the lifetime Maximum per Eligible Person specified in the Outline of Benefits. Northeast Delta Dental will make one (1) payment at the start of treatment for its total liability.

-
4. Placement of an appliance must take place for Northeast Delta Dental to make payment on diagnostic records. Diagnostic casts, photographs and other diagnostic records are included in the total case fee. If banding does not take place, Northeast Delta Dental has no liability beyond its share of the allowable fee for a comprehensive oral evaluation.
 5. Removable orthodontic retainer adjustment is not a covered benefit. The fee for a removable orthodontic retainer adjustment is Not Billable to the Eligible Person if performed by the same Dentist/dental office who provided the orthodontic treatment. If provided by a different Dentist/dental office, the fee is Denied.
 6. Rebonding or recementing of a fixed retainer is a covered benefit once in a lifetime per Eligible Person if performed by a different Dentist/dental office than the one who placed the appliance. Rebonding or recementing of a fixed retainer by the same Dentist/dental office who placed the original appliance is Not Billable to the Eligible Person.
 7. Fees for repair of a fixed retainer (including reattachment) are considered part of the total orthodontic case fee. Repair of a fixed retainer within twenty-four (24) months of original placement by the same Dentist/dental office is Not Billable to the Eligible Person. If performed within twenty-four (24) months by a different Dentist/dental office than the one who placed the original appliance, payment will be made for one (1) repair in a lifetime.
 8. For groups with orthodontic benefits, fees for orthodontic retention (removal of appliance and construction and replacement of retainer) within twenty-four (24) months of original placement by the same Dentist/dental office is Not Billable to the Eligible Person. If performed within twenty-four (24) months by a different Dentist/dental office than the one who placed the original appliance, services are Denied and the Eligible Person is responsible for the fee.
 9. Comprehensive orthodontic treatment with orthognathic surgery is a covered benefit. Fees for limited and comprehensive orthodontic treatment submitted on the same date of service as comprehensive orthodontic treatment with orthognathic surgery are Not Billable to the Eligible Person.
 10. Periodic orthodontic treatment visit associated with orthognathic surgery is not a covered benefit. Fees for periodic orthodontic treatment visit associated with orthognathic surgery are Not Billable to the Eligible Person when done on the same date of service as comprehensive orthodontic treatment with orthognathic surgery.

Please note: Northeast Delta Dental strongly encourages Predetermination of cases involving costly or extensive treatment plans. Although it's not required, Predetermination helps avoid potential confusion regarding Northeast Delta Dental's payment and your financial obligation to the Dentist.

 - (n) You may not bring a legal action against Delta Dental under this dental benefits plan until sixty (60) days after notice of claim. No such action shall be brought after the expiration of three (3) years after the time written notice of claim is required to be furnished.

V. Coordination of Benefits (Dual Coverage)

The Coordination of Benefits provision is designed to provide maximum coverage, but not to exceed 100% of the total fee for a given service. In the event that any Eligible Person is entitled to benefits under any other health care program, the following Coordination of Benefits provision shall determine the sequence and extent of payment. Other health care programs may include any other sponsored plan or group insurance plan. Benefits under this plan will not be coordinated with any state's Medicaid programs.

When an Eligible Person is covered under another health care program, the following rules shall be followed to establish the order of determining liability.

1. When only one plan has a Coordination of Benefits provision, the plan without such provision shall determine its benefits first.
2. The plan covering an Eligible Person solely as an employee shall determine its benefits before the plan which covers the Eligible Person solely as a Dependent.
3. The plan covering the Eligible Person solely as a Dependent of the parent whose birthdate occurs earlier in a calendar year shall determine its benefits before the plan covering the Eligible Person solely as a Dependent of the parent whose birthdate occurs later in a calendar year ("Birthday Rule").

A parent's year of birth is not relevant. If both parents have the same birthdate (month and day) the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time. If the other health care program does not use the Birthday Rule, then that plan's provisions will determine the order of liability.

4. If paragraphs 1 through 3 above do not establish an order of benefit determination, the benefits of the plan which has covered the Eligible Person for the longer period of time shall be determined first.
5. The order of payment for the claims of a Dependent child of divorced or legally separated parents will be as follows:
 - (a) The plan of the parent with custody.
 - (b) The plan of the spouse or civil union partner of the parent with custody (step- parent).
 - (c) The plan of the parent without custody.
 - (d) If the parents have joint legal custody, paragraph 3 above will apply.

However, when the parents are separated or divorced and there is a court decree which establishes financial responsibility with respect to the child, the benefits of the plan which cover the child as a Dependent of the parent with financial responsibility pursuant to the decree shall be determined before the benefits of any other plan which covers the child as a Dependent.

-
6. When Northeast Delta Dental is the first to determine its benefits under the foregoing, benefits hereunder shall be paid without regard to Coverage under any other plan. When Northeast Delta Dental is not the first to determine its benefits and there are remaining expenses of the type allowable, Northeast Delta Dental will pay only the amount by which its benefits exceed the amount of benefits payable under the other plan up to the amount Northeast Delta Dental would have paid without regard to the payment by the other plan or the amount of such remaining expenses, whichever is less. In other words, the combined payment of both plans will not exceed the total cost of the service.

Northeast Delta Dental may use reasonable efforts to determine the existence of other benefit programs but shall be under no obligation to do so. The Eligible Person is required to furnish Northeast Delta Dental with information relative to any other health care program in order to determine liability.
 7. For the purposes of determining the applicability and implementing the terms of this provision in the Agreement, Northeast Delta Dental may release or obtain from any third party, without consent or notice, any information which it deems to be necessary to determine its liability. Northeast Delta Dental shall be free from any liability that might arise in relation to such action.
 8. Multiple Coverage: When benefits are coordinated with another Northeast Delta Dental plan, or any other plan providing dental benefits, time limitations and frequency of service limitations will not change. Coverages for services for which a specified number are provided per a specified time period shall not be added together to provide more than the number of services specified per time period under this plan. For example, if each plan covers one prophylaxis (cleaning) in a six month period, the combined Coverages will still only cover one prophylaxis in any six month period. If such a service is covered under this plan, but has been paid for, whether in full or part, by another plan, such service will still be counted toward the maximum number of such services allowed per period under this plan.
 9. Right of Recovery: Northeast Delta Dental has the right to recover from the payee excess benefit payments.
 10. Subrogation: In the event of any payments for Dental Care under this Agreement, Delta Dental shall be subrogated to all the Subscriber's or Eligible Dependent's right of recovery thereof against any third person or organization who may be liable for such payment. The Subscriber or Eligible Dependents shall execute and deliver such instruments and papers and do whatever else is necessary to secure such rights. Such subrogation shall be on a just and equitable basis and not on the basis of a priority lien.

VI. General Claims Inquiry

After a claim is submitted by your Dentist and processed by Northeast Delta Dental, you will be sent or have access to an Explanation of Benefits (EOB). This notice will explain the benefits that were paid on your behalf, let you know if any services are Denied or Not Billable to the Eligible Person, and give you the reason(s) for the denial or why this service is not billable to you.

If you have any questions regarding your benefits, you may call Northeast Delta Dental for an explanation at 603-223-1234. The toll-free number is 800-832-5700. You will be connected directly to our Customer Service Department.

The Customer Service Representative will need to know the claim number that is located on your Explanation of Benefits form or, if that information is not available, the Subscriber's identification number. This will enable a quick response to your inquiry.

VII. Disputed Claims Procedure

If you have reason to believe your benefit determination was not in accordance with the terms of this certificate, you have the option of using Northeast Delta Dental's Disputed Claims Procedure. This may be requested within six (6) months of the issuing of Northeast Delta Dental's original Explanation of Benefits. We recommend that your written request for a review of your claim be personally delivered or mailed certified mail, return receipt requested, to the Director, Professional Relations, Northeast Delta Dental, One Delta Drive, PO Box 2002, Concord, New Hampshire, 03302-2002. You may also submit your request by standard mail.

Your request for a review of your claim should refer to the claim(s) in question, state your name and address, and the reasons you think the denial should be evaluated. You may provide any additional materials you wish to present.

The Director, Professional Relations, or his/her designee, will promptly review your claim. He/she may request additional documents as necessary to make such a review. If the claim is Denied in any respect, you will be furnished with a written notice of the decision within thirty (30) days after receipt of the disputed claim. The notice will include:

1. The specific reason(s) for denial.
2. The specific reference to the provision of this Agreement upon which the denial is based.

If your request results in an additional payment, it will be made within fifteen (15) working days of the Director, Professional Relations or his/her designee's response.

If you have not received a written response (within thirty (30) days as noted above) and/or disagree with the notice received, you may proceed to the Disputed Claims Review Procedure in Section VIII. Your claim will remain in a Denied status pending the outcome of the review.

If you have any problem securing a review of your claim, you may also contact your group for assistance.

VIII. Disputed Claims Review Procedure

After you have followed the Disputed Claims Procedure in Section VII., and still believe your benefit determination was not in accordance with the Agreement, you have the option of using Northeast Delta Dental's Disputed Claims Review Procedure. This procedure allows you to request a review by the Review Committee regarding the continued denial of your claim. The Review Committee is composed of Participating Dentists, non-dentist members of the Board of Directors, and representatives of purchasers.

You or your duly authorized representative may appeal to the Review Committee by filing a request for review before the final appeal date set forth in the Director, Professional Relations' or his/her designee's notice denying the claim, or, if no date is given, within six (6) months of the notice. We recommend that your written request be sent certified mail, return receipt requested, to the Review Committee at Northeast Delta Dental's address. You may also submit your request by standard mail. It must state the reasons for requesting a review. It should contain the issues, comments, and supporting materials stating why you believe the response of Northeast Delta Dental's Director, Professional Relations' or his/her designee was incorrect. Within thirty (30) days after receipt of your request, the Review Committee will provide its written decision, including specific reasons for the decision.

In addition, or as an alternative to the written request, you may request a hearing from the Review Committee to consider matters raised in your appeal. At the hearing, you are entitled to representation by a lawyer or other representative, to request a stenographer to transcribe the hearing, to present evidence, to request the testimony of witnesses, and to cross-examine witnesses. You or your representative may review the Agreement and related pertinent documents. The hearing will be scheduled with prompt written notice to you no later than thirty (30) days after your request. A decision will be provided within than thirty (30) days after the hearing. The decision of the Review Committee will be in writing and will include specific reasons for the decision.

IX. Termination

Benefit entitlement may be automatically terminated:

1. As determined by your employer.
2. On the last day of the month for which your employer has failed to make a required payment for you.

Under certain circumstances, state or federal law may require that benefits be continued for terminated or reduced-hour employees, surviving spouses, or surviving partners of civil unions and Dependents of covered employees, divorced or legally separated spouses and children of current employees, and children of employees entitled to Medicare benefits.

X. Continuation of Benefits

A. State and Federal Law Rights to Continue Coverage

Upon termination of coverage under this dental benefits plan, former Subscribers and/or Eligible Dependents may be eligible, under federal (COBRA) and/or state statutes, to continue group coverage benefits, depending upon certain conditions contained in those laws. If a former Subscriber or Eligible Dependent elects to continue coverage under the federal or state statute, if applicable, the group under which benefits were formerly provided will be responsible to collect the applicable premium from the persons electing coverage. The applicable state or federal law will govern administration of the continuation coverage. Rights under those statutes are provided below.

In addition, there may be other coverage options for you and your family through the Vermont Health Connect ("VHC"). If you request enrollment within thirty (30) days, you may also qualify for special enrollment for another group health plan for which you are eligible (such as a spouse's plan), even if the plan generally does not accept late enrollees. Last, you may apply for an individual plan directly with Northeast Delta Dental by applying online at www.deltadentalcoversme.com or by calling 888-910-5667.

Both you (the employee) and your spouse/partner in a civil union should read the summaries carefully and keep it with your records!

B. Rights under Vermont Law (Continuation of Coverage) (if applicable):

Vermont law provides for the continuation of coverage under this dental benefits plan in several circumstances generally described below. For details of your rights under Vermont law, refer to 8 V.S.A. Section 4090a, et seq.

If you lose eligibility for this dental benefits plan due to a “qualifying event” you may be entitled to continue coverage for a period up to 18 months. Pursuant to Vermont law, “qualifying events” include:

1. Loss of employment, including reduction in hours, that results in ineligibility for this dental benefits plan.
2. Divorce, dissolution or legal separation from your spouse or civil union partner.
3. A Dependent child ceasing to be eligible under the requirements of this certificate.
4. Death of the employee.

Continuation of coverage is not applicable, if you were terminated for gross misconduct or are covered by a replacement dental benefits plan, among other reasons.

Within 30 days following the occurrence of a “qualifying event,” the group is required to provide notice of your rights to continued coverage. The notice will include instructions for electing continued coverage and the premium amount to be paid. The monthly premium you will pay shall not be more than 102% of the group premium amount for your coverage. You must provide the Plan Administrator for the group with your election to continue coverage in writing within 60 days of receipt of notice from the group. With your written election, you are responsible to submit payment of the premium to the group for the period from the qualifying event to the end of the month in which you make the election. Thereafter, the monthly premium shall be paid in advance.

If you have any questions about your continuation rights under Vermont law, please contact your Plan Administrator or Northeast Delta Dental.

C. Continuation Coverage Rights Under COBRA:

Introduction

You are receiving this information because you recently gained coverage under a group dental plan (the Plan). This section has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This section explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group dental coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review this certificate or contact the Plan Administrator.

You may have other options available to you when you lose group dental coverage. For example, you may be eligible to buy an individual plan through the Vermont Health Connect. By enrolling in coverage through the VHC, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group dental plan for which you are eligible (such as a spouse’s plan), even if that plan generally does not accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a “qualifying event.” Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a “qualified beneficiary.” You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced.
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies.
- Your spouse's hours of employment are reduced.
- Your spouse's employment ends for any reason other than his/her gross misconduct.
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both).
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies.
- The parent-employee's hours of employment are reduced.
- The parent-employee's employment ends for any reason other than his/her gross misconduct.
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both).
- The parents become divorced or legally separated.
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

Qualified beneficiaries will be offered COBRA continuation only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment.
- Death of the employee.
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to your employer.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan Administrator is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Vermont Health Connect, Medicaid, or other group dental plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthconnect.vermont.gov.

Any material modification in this COI shall be valid only if approved by DFR and an executive officer of Northeast Delta Dental and evidenced by a written, signed amendment hereof or endorsement hereto. Any such amendment or endorsement will be provided to you at least sixty (60) days in advance of its effective date. No broker or agent has authority to change this COI or waive any of its provisions.

This certificate is governed by and shall be construed according to the laws of the state of Vermont and its regulations.

If the Dentist does not participate with the local Delta Dental member company, payment will be made to the Subscriber unless the state in which the services are rendered requires that assignment of benefits be honored and Northeast Delta Dental receives written notice of an assignment on the claim form before payment for benefits is made.

For services rendered by Other Dental Providers which are required to be considered covered services by the law of the state in which the services were rendered, payment will be made to the Subscriber unless the state in which the services are rendered requires assignment of benefits to such Other Dental Providers be honored and Northeast Delta Dental receives written notice of an assignment on the claim form before payment for benefits is made.

XIII. Statement of ERISA Rights

The following statement is applicable to those dental plans subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA):

Your Rights: As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits: Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites, all documents governing the plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series), if any, filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employees Benefits Security Administration.

Obtain, on written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of latest annual report (Form 5500 Series) and updated Dental Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report, if any is required by ERISA to be prepared. The Plan Administrator is required by law to furnish each participant with a copy of any required summary annual report.

COBRA and HIPAA Rights: Continue dental coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review the Dental Plan Description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries: In addition to creating rights for plan participants ERISA imposes duties on the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a plan benefit or exercising your rights under ERISA.

Enforce Your Rights: If your claim for a benefit is Denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report (if any) from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is Denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions: If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA or HIPAA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employees Benefits Security Agency, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employees Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employees Benefits Security Administration.

XIV. Vermont Mandatory Civil Unions Endorsement

Purpose:

Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons. This endorsement is part of and amends this policy, contract or certificate to comply with Vermont law.

Definitions, Terms, Conditions, and Provisions:

The definitions, terms, conditions, and any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a civil union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.

Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.

"Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

"Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

Caution: Federal Law Rights May or May Not Be Available

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Retirement Income Security Act of 1974 known as "ERISA," controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.
