

Need Mental Health or Substance Use Disorder Resources? We Can Help.

Maintaining your mental health can be just as important as your physical health when it comes to ensuring your overall well-being. But when you need help with mental health or substance use care, it can be difficult to know where to turn.

You have options. These helpful resources can support you or a loved one with your mental health journey.

How do I find a new mental health provider?

Here are options for finding a provider quickly. Click [here](#) or paste the URL in your browser:

<https://www.bluecrossvt.org/health-community/blog/listing/finding-mental-health-provider>

What if I need to see a mental health provider remotely?

We have several telehealth services for mental health or substance use disorder. Click [here](#) or paste the URL in your browser:

<https://www.bluecrossvt.org/find-doctor/telemedicine-care/mental-health-telemedicine-support>

How can I learn more about the costs of mental health care?

The Blue Cross VT Cost Estimate Tool is a great resource. See how it works:

Are there additional mental health resources in my area?

Vermont has local, state, and national mental health resources in addition to what is offered by Blue Cross VT. *We've shared some of those resources below for your reference.*

Experiencing a mental health crisis?

These **24/7 support services** are available to everyone, not just Blue Cross VT members:

- **Vermont Peer Support Line:** Call or text **833-888-2557**
- **Crisis Text Line:** Text "VT" to 741741
- **The National Suicide Prevention Lifeline:** Dial **988**

You can also visit the Vermont Department of Mental Health for a list of designated agencies by region. Click [here](#) for the list of community mental health agencies and regional crisis lines, or paste the URL into your browser:
