RE: VEHI Dental Program Contribution Renewal for FY 20
Date: December 2018

VEHI has completed its dental program renewal process for the 2019-2020 school year. Due to favorable claims experience and the strong financial position of the program, the rates will be held at their current amounts effective July 1, 2019. This is our 5th consecutive year of holding or decreasing the dental rates.

Because individual school districts' dental plans are experience rated, the rates vary by district, and may change at various levels in the future.

Below is information that explains how dental program monies collected by VEHI are allocated on behalf of its members.

Please contact your VEHI trust administrators, Bobby-Jo Salls (bobbyjo@vsbit.org) or Mark Hage (mhage@vtnea.org), with questions or concerns about this memorandum or any of our programs.
