

New VEHI Website Unveiled!

We are excited to unveil our new VEHI website, www.vehi.org. Our team has been working all summer to release our new website for this fall.

The information is in the same general order, but our new site has a fresh, updated look and feel - including the highly-anticipated [search feature](#)!

Please re-familiarize yourself with the website and bookmark your favorite pages, as the bookmarks may not have carried over from the old site.

As always, if you need further information, please contact Bobby-Jo Salls at bobbyjo@vsbit.org.
