

Northeast Delta Dental Student Certification

It's that time of year – Northeast Delta Dental (NEDD) is conducting their annual student certification on behalf of VEHI. NEDD mailed student certification letters on August 1. Subscribers will have until August 31 to respond. If no response is received, the dependent will be removed from the plan and will not be eligible for coverage until the next open enrollment period.

Remember that unlike health, dental coverage is not automatic to age 26. Dependents are covered only to age 19, but can be covered up to age 25 as long as they remain a full time student. Some districts have made a special election which allows dependents to stay on the plan to age 26 regardless of their student status. If your district has made this election, no certification letters will be sent.

If you are interested in extending coverage to age 26 for your staff during your next open enrollment, please contact bobbyjo@vsbit.org.

The latest **Certificate of Coverage** for your NEDD plan is on the VEHI website. Click [here](#) to review.
