Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$300 individual / \$600 family.  <a href="#">Co-insurance</a> and <a href="#">co-payments</a> do not apply to the <a href="#">deductible</a> .	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount each <a href="#">plan</a> year before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> . Your <a href="#">plan</a> year: 01/01/2020 through 12/31/2020. We apply any portion of your <a href="#">deductible</a> that you pay for services occurring after September 30 each <a href="#">plan</a> year towards your next year's <a href="#">deductible</a> as well.
Are there services covered before you meet your <a href="#">deductible</a> ?	No.	You will have to meet the <a href="#">deductible</a> before the <a href="#">plan</a> pays for any services.
Are there other <a href="#">deductibles</a> for specific services?	No. There are no other specific <a href="#">deductibles</a> .	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$600 individual / \$1,200 family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a <a href="#">plan</a> year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own out-of-pocket limits until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Co-payments</a> on certain services, premiums, <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.bcbsvt.com/findadoctor">www.bcbsvt.com/findadoctor</a> or call (800) 255-4550 for a list of <a href="#">network</a> providers.	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
