

VEHI Files FY 20 **Dental Plan Rates**

Proposes **No Change** in Rates from FY 19

VEHI has filed its **FY 20 dental plan rates** for its dental plans with the Department of Financial Regulation (DFR), which has the authority to review and modify or approve VEHI's dental plan rates annually.

We are pleased to announce that we are proposing once again not to raise rates. In other words, we have filed rates for FY 20 that are the same as those in force in FY19. Our plans will continue to be administered for VEHI by Northeast Delta Dental.

Please note that these rates are not final. They must go through the regulatory review process at DFR. We will let you know when that process is completed and will announce the finalized dental rates at the latest in early January. These rates, if approved, will be in effect July 1, 2019 - June 30, 2020.
