Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 individual / \$0 family.	See the Colmmon Medical Events chart below for you costs for services this plan covers. Your plan year: 01-01-2025 through 12-31-2025. We apply any portion of your deductible that you pay for services occurring after September 30 each plan year towards your next year's deductible as well.
Are there services covered before you meet your deductible?	Not applicable.	Not applicable.
Are there other deductibles for specific services?	Yes. \$100 individual up to a maximum of three member deductibles per family for emergency medical transport, durable medical equipment and supplies, and private duty nursing.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Major medical: \$600 per member. Combined out-of-pocket limit for services such as emergency medical transport, durable medical equipment and supplies, and private duty nursing. Prescription drugs : \$600 individual / \$1,200 family.	The out-of-pocket limit is the most you could pay in a plan year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Copayments on certain services, premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

*Deductible applies to these services.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.bluecrossvt.org/find-doctor or call (800) 255-4550 for a list of network providers.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). For certain emergency services and/or services at an in-network hospital or surgical center (as explained below), the maximum amount you may pay is the plan's in network cost-sharing amount. In these circumstances, the providers cannot balance bill you. Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
