

## W-2 Reporting Requirements

### Annual Reminders

We would like to remind you of our W-2 reporting bulletins, guides and reference tools found on the [VEHI website](#).

Employers with HSAs (Health Savings Accounts) need to include HSA contributions on the W-2, regardless of how many W-2s they complete. Employers who report more than 250 W-2s must report on the total health plan premium. Specifics on these and other pieces can be found in the materials linked below.

The [W-2 Reporting Bulletin](#) provides helpful tips, links and a Q&A on the requirements.

The [W-2 Reporting Guide, by Gallagher Benefit Services](#) provides a more in-depth view about what employers need to know.

We also provide a [Quick Reference Tool](#) to give you a handy 2-page view of the required coverage to be included in the W-2 reporting.

Please take a moment to review the documents and, as always, if you have any questions or concerns, please reach out to our helpdesk at [VEHlhelp@ajg.com](mailto:VEHlhelp@ajg.com), or Bobby-Jo Salls at [bobbyjo@vsbit.org](mailto:bobbyjo@vsbit.org).
